**Artist Description** A Collection of signatures produced by Private Press Printers taking part in Wayzgoose, held in Grimsby. 25 contributors. Light foxing to the cloth boards, else a fine copy. Private Press Grimsby Public Art Gallery

**Description**

**Wayzgoose:**

A gathering of private press printers, bookbinders, paper marblers and other book artisans held each year on the last Saturday of April. Begun in 1979, this popular event attracts thousands of book lovers to the Grimsby Public Art Gallery, which hosts the Wayzgoose.

**The Anthologies**

The Gallery also coordinates and publishes the annual *Wayzgoose Anthology*, a limited edition, hand-bound book of signatures created by participating Wayzgoose artists. First issued in 1981, the anthologies are a remarkable collection; they represent the broad range of art work, styles and interests of the contributing artists. The anthologies offer a unique perspective on the people, arts and events that preoccupied the artists from the early 1980s.

**Quantity:** 1
