

Sale Name: Fine Art & Artifacts Canadian & Abroad Auction - October 25th to November 8th 2022

LOT 91 - Martin Hirschberg - Embrace

Artist Description Martin Hirschberg (1937 – CAD) Hirschberg has had more than 20 “One Man” exhibitions since 1961, major commissions and has garnered many awards for his work. Some of his works are included in the collection of the Art Gallery of Ontario and the Stratford Art Gallery. Martin's works are also included in private collections throughout Canada and the United States. He created the largest Kinetic mural ever created for The Research Centre Health Branch of the National Health and Welfare in Ottawa and a massive modular reflective sculpture for the Eaton's Center in Toronto that reacts to light and movement. Central Technical School/Graduate of Art School – Toronto, Ontario Ontario College of Art – Toronto, Ontario Post Graduate Work Institute Allende, San Miguel, Mexico Plastic Technology Student
